

Subpart A—Administrative Offset

AUTHORITY: 31 U.S.C. 3716, 4 CFR 102.

SOURCE: 58 FR 64370, Dec. 7, 1993, unless otherwise noted.

§ 204.1 Applicability and scope.

(a) The procedures authorized for administrative offset are contained in Section 10 of the Debt Collection Act (codified at 31 U.S.C. 3716). The Act requires that notice procedures be observed by the agency. The debtor is also afforded an opportunity to inspect and copy government records pertaining to the claim, enter into an agreement for repayment, and to a review of the claim (if requested). Like salary offset, agencies may cooperate with one another in order to effectuate recovery of the claim.

(b) The provisions of this subpart apply to the collection of debts owed to the United States arising from transactions with the Securities and Exchange Commission (Commission). Administrative offset is authorized under Section 5 of the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3716). These regulations are consistent with the Federal Claims Collection Standards on administrative offset issued jointly by the Department of Justice and the General Accounting Office (4 CFR part 102).

§ 204.2 Definitions.

(a) *Administrative offset* as defined in 31 U.S.C. 3701(a)(1) means withholding money payable by the United States Government to, or held by the Government for, a person to satisfy a debt the person owes the Government.

(b) *Person* includes a natural person or persons, profit or nonprofit corporation, partnership, association, trust, estate, consortium, or other entity which is capable of owing a debt to the United States Government except that agencies of the United States, or of any State or local government shall be excluded.

§ 204.3 General.

(a) The Chairperson of the Commission (or designee) will determine the feasibility of collection by administra-

tive offset on a case-by-case basis for each claim established. The Chairperson (or designee) will consider the following issues in making a determination to collect a claim by administrative offset:

(1) Can administrative offset be accomplished?

(2) Is administrative offset practical and legal?

(3) Does administrative offset best serve and protect the interest of the U.S. Government?

(4) Is administrative offset appropriate given the debtor's financial condition?

(b) The Chairperson (or designee) may initiate administrative offset with regard to debts owed by a person to another agency of the United States Government, upon receipt of a request from the head of another agency or his or her designee, and a certification that the debt exists and that the person has been afforded the necessary due process rights.

(c) The Chairperson (or designee) may request another agency which holds funds payable to a Commission debtor to offset that debt against the funds held and will provide certification that:

(1) The debt exists; and

(2) The person has been afforded the necessary due process rights.

(d) No collection by administrative offset shall be made on any debt that has been outstanding for more than 10 years unless facts material to the Government's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering the debt.

(e) Administrative offset under this subpart may not be initiated against:

(1) A debt in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute;

(2) Debts owed by other agencies of the United States or by any State or local Government; or

(3) Debts arising under the Internal Revenue Code of 1954; the Social Security Act; or the tariff laws of the United States.

(f) The procedures for administrative offset in this subpart do not apply to

§ 204.4

17 CFR Ch. II (4–1–00 Edition)

the offset of Federal salaries under 5 U.S.C. 5514.

§ 204.4 Demand for payment—notice.

(a) Whenever possible, the Commission will seek written consent from the debtor to initiate immediate collection before starting the formal notification process.

(b) In cases where written agreement to collect cannot be obtained from the debtor, a formal notification process shall be followed, (4 CFR 102.2). Prior to collecting a claim by administrative offset, the Commission shall send to the debtor, by certified or registered mail with return receipt, a written demand for payment in terms which inform the debtor of the consequences of failure to cooperate. A total of three progressively stronger written demands at not more than 30 day intervals will normally be made unless a response to the first or second demand indicates that a further demand would be futile or the debtor's response does not require rebuttal, or other pertinent information indicates that additional written demands would be unnecessary. In determining the timing of the demand letters, the Commission should give due regard to the need to act promptly so that, as a general rule, if necessary to refer the debt to the Department of Justice for litigation, such referral can be made within one year of the final determination of the fact and the amount of the debt. When appropriate to protect the Government's interests (for example, to prevent the statute of limitations from expiring), written demand may be preceded by other appropriate actions, including immediate referral for litigation.

(c) Before offset is made, a written notice will be sent to the debtor. This notice will include:

- (1) The nature and amount of the debt;
- (2) The date when payment is due (not less than thirty days from the date of mailing or hand delivery of the notice);
- (3) The agency's intention to collect the debt by administrative offset, including asking the assistance of other Federal agencies to help in the offset whenever possible, if the debtor has not made payment by the payment due

date or has not made an arrangement for payment by the payment due date;

(4) Any provision for interest, late payment penalties and administrative charges, if payment is not received by the due date;

(5) The possible reporting of the claim to consumer reporting agencies and the possibility that the Commission will forward the claim to a collection agency;

(6) The right of the debtor to inspect and copy the Commission's records related to the claim;

(7) The right of the debtor to request a review of the determination of indebtedness and, in the circumstances described below, to request an oral hearing from the Commission's designee;

(8) The right of the debtor to enter into a written agreement with the agency to repay the debt in some other way; and

(9) In appropriate cases, the right of the debtor to request a waiver.

(d) Claims for payment of travel advances and employee training expenses require notification prior to administrative offset as described in this section. Because no oral hearing is required, notice of the right to a hearing need not be included in the notification.

§ 204.5 Debtor's failure to respond.

If the debtor fails to respond to the notice described in § 204.4 (c) by the proposed effective date specified in the notice, the Commission may take further action under this section or under the Federal Claims Collection Standards (4 CFR parts 101 through 105). The Commission may collect by administrative offset if the debtor:

- (a) Has not made payment by the payment due date;
- (b) Has not requested a review of the claim within the agency as set out in § 204.6; or
- (c) Has not made an arrangement for payment by the payment due date.

§ 204.6 Agency review.

(a) A debtor may dispute the existence of the debt, the amount of the debt, or the terms of repayment. A request to review a disputed debt must be submitted to the Commission official
